### **New DYPA "Career Day" in Stuttgart on May 31**

*Over 1,000 jobs and 30 leading businesses are waiting for you in Greece!*

Following the successful 'extroversion' events organised by the Ministry of Labour and Social Security in Amsterdam, Düsseldorf and London, which attracted over 4,000 Greek expatriates wishing to return to their home country, a new 'Career Day' event is going to be held in Stuttgart in May.

More specifically, the Ministry of Labour and Social Security and the Greek Public Employment Service (DYPA), in collaboration with the Ministry of Foreign Affairs, are organising a new Career Day abroad, in Stuttgart, on Saturday, May 31, 2025. The event will begin at 10:00 am, with a presentation of the Greek labour market's current state of play, and last until 18:00 pm (location: Maritim Hotel Stuttgart, Seidenstraße 34, 70174 Stuttgart).

It is noteworthy that the "Rebrain Greece" programme of the Ministry of Labour and Social Security actively promotes the repatriation of Greek talent and skilled staff, aiming to fully utilise their skills in Greece.

#### **Connecting Greek talent abroad with job opportunities in Greece**

The event is aimed at networking Greek expatriates working abroad with leading businesses in Greece with a view to exploring potential employment and repatriation opportunities.

The event will offer participants the opportunity to directly contact business representatives, without any prior appointment, and learn more about the significant prospects offered in the Greek labour market.

A total of 30 leading businesses from key sectors of the Greek economy, such as energy, healthcare, infrastructure, education, manufacturing, banking, IT, and tourism, are going to participate in the event and search for skilled staff.
