Press Release

### **The new DYPA targeted employment action has already enabled the creation of more than 750 new jobs in Thessaly**

751 unemployed persons have already been hired in new jobs created via the new DYPA employment subsidy programme in Thessaly. The programme was launched on January 30<sup>th</sup> and businesses continue to apply at a very fast pace.

Furthermore, 796 unemployed persons have already applied for the Entrepreneur subsidy programme. This programme is expected to close soon and a total of 1.000 new businesses will receive funding.

It is noted that recently the following 3 new DYPA targeted employment actions were launched in the Regional Unit of Thessaly with a total budget of €109 million for 6.500 unemployed persons:

- Job Creation programme for 5.000 new full-time jobs: The programme is addressed to unemployed persons of all ages and to all businesses active in the Regional Unit of Thessaly. The subsidy covers up to 75% of the wage and the social insurance contributions (up to the amount of €1.250 per month) for a period of up to 18 months. The total action budget amounts to €90 m.
- Job Creation programme for 1.000 new businesses: Aim of the programme is to enable 1.000 unemployed persons of all ages to start their own business with a total budget of €14.800 per business for 12 months. The total action budget amounts to €14,8 m.
- Work experience programme for 500 young unemployed persons in actions addressing the consequences of the climate change: The programme aims to help 500 unemployed persons aged 18-30 to gain work experience in actions addressing the impact of climate change and protecting the environment. The total action budget amounts to €4,2 m.

Businesses submit their application exclusively at the link:
